**Flowers from Arsis.** If you know of someone who deserves a bouquet of flowers, known as the "Flowers from Arsis", you can write the name of the person and the reason why you feel they should receive the bouquet, on a piece of paper and put it in the basket by the intention book at the back of the church before the service. The music choir "Arsis" will announce the person who is nominated at the end of the service. It is nice if you could also deliver the flowers. The names that are put in the basket are also given to the "Pastoral care Group" so that they can receive extra attention from the parish.
